

# Placebo, Drag

You're always ahead of the game,  
I drag behind,  
You never get caught in the rain,  
When I'm drenched to the bone every time,  
You're the first one to swim across the Seine,  
I lag behind,  
You're always ahead of the game,  
While I drag behind..

I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,

You're always ahead of the pack,  
I drag behind,  
You possess every trait that I lack,  
By coincidence or by design,  
You're the monkey I got on my back,  
That tells me to shine,  
You're always ahead of the pack,  
While I drag behind..

I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,

You're always ahead of the rest,  
When I'm always on time,  
You got A's on your algebra test,  
I failed and they kept me behind,  
I just gotta get off my chest,  
That I think you're divine,  
You're always ahead of the rest,  
While I drag behind..

I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,  
I drag behind,  
I drag behind.
