

# Placebo, Happy Birthday In The Sky

Darling, happy birthday  
In the sky  
In the sky  
You were blown away  
I don't know why  
Why  
Now I sit and wait  
As days float by  
Bye  
Darling, happy birthday  
In the sky  
In the sky

I want my medicine  
Give me my medicine  
I want my medicine  
Give me my medicine  
I want my medicine  
Give me my medicine

Darling, happy birthday  
In the sky  
In the sky  
Now I fade and fade  
As time runs dry  
Dry

I want my medicine  
Give me my medicine  
I want my medicine  
Give me my medicine  
I want my medicine  
Give me my medicine  
I want my medicine

I want my medicine  
Give me my medicine  
I want my medicine  
Give me my medicine  
I want my medicine  
Give me my medicine  
Give me my medicine

I'm calling you  
I'm calling you

I want  
I want  
I want  
I want

Darling, happy birthday  
I want  
I want  
I want  
I want  
Darling, happy birthday  
I want  
I want  
I want  
I want  
Darling, happy birthday  
I want  
I want

I want  
I want  
Give me my medicine
