

# Placebo, Holocaust

Your eyes are almost dead  
can't get out of bed  
And you can't sleep

You're sitting down to dress  
and you're a mess  
You look in the mirror

You look in your eyes  
Then you realize

Everybody goes  
leaving those  
who fall behind

Everybody goes  
as far as they can  
They don't just care

They stood on the stairs  
Laughing at your airs

Your mother's dead  
She said  
&quot;Don't be afraid&quot;;

Your mother's dead  
You're on your own  
She's in her bed

Everybody goes  
Leaving those  
Who fall behind

Everybody goes  
As far as they can  
They don't just care

You're a wasted face  
you're a sad-eyed lie  
You're a holocaust
