

# Placebo, Hugz

A hug is just another way of hiding your face  
A hug is just another way of hiding your face  
To look you in the eyes  
Is like a spray full of mace  
A hug is just another way of hiding your face  
A hug is just another way of hiding your face, yeah

Don't wanna see myself  
I don't wanna see myself  
Don't wanna see myself  
I just wanna conceal myself  
Don't wanna see myself  
Don't wanna see myself  
Just wanna conceal myself  
No, don't wanna

A joke is just another way of telling the truth  
A joke is just another way of telling the truth  
I know you're suspicious  
But you got no proof  
A joke is just another way of telling the truth  
A joke is just another way of telling the truth, yeah

Don't wanna be myself  
I don't wanna be myself  
Don't wanna be myself  
I just wanna redeem myself  
Don't wanna be myself  
I don't wanna be myself  
I just wanna redeem myself  
No, don't wanna

Don't wanna (Hugz)  
Don't think so (Hugz)  
Don't wanna (Hugz)  
Don't think so (Hugz)  
Don't wanna (Hugz)  
Don't think so (Hugz)  
Don't wanna (Hugz)  
Don't think so (Hugz)

A hug is just another way of hiding your face  
A hug is just another way of hiding your face  
To look you in the eye  
Is like a spray full of mace  
A hug is just another way of hiding your face, yeah

I don't wanna see myself  
Don't wanna see myself  
Don't wanna see myself  
I just wanna conceal myself  
Don't wanna see myself  
Don't wanna see myself  
Just wanna conceal myself  
No, don't wanna

Don't think so  
Don't wanna  
Don't think so  
A hug is just another way of hiding your face  
A hug is just another way of hiding your face
