

# Placebo, Julien

The payback is here  
Take a look, it's all around you  
You thought you'd never shed a tear  
So this must astound and must confound you  
Buy a ticket for the train  
Hide in a suitcase if you have to  
This ain't no singing in the rain  
This is a twister that will destroy you

You can run but you can't hide  
Because no one here gets out alive  
Find a friend in whom you can confide  
Julien you're a slow motion suicide

Fallen angels in the night  
And every one is barred from heaven  
Just one more hit to make it right  
But every one turns into seven  
Now that it's snowing in your brain  
Even ten will not placate you  
This ain't no killer for the pain  
This avalanche will suffocate you

You can run but you can't hide  
Because no one here gets out alive  
And find a friend on whom you can rely  
Julien you're being taken for a ride

You can run but you can't hide  
Because no one here gets out alive  
Find a friend in whom you can confide  
Julien you're a slow motion suicide,

Slow motion suicide  
Slow motion suicide
