

# Placebo, Kangaroo Died

Well the doctor keeps me waiting  
The blood in my brain  
The pain in my chest  
Oh Oh Oh  
Only happens when it's rainin  
The smoke in my lung  
The beer in my gut  
Oh Oh Oh

Feelin like a motherfuck  
The only way is down from here  
Oh Oh Oh  
Feelin like a motherfuck  
The only way is down from here  
Oh Oh Oh

It's a nightmare in the alley  
The undertaker's there  
With his bowler hat  
Oh Oh Oh  
And his coffin eyes are empty  
The ex-wife she's there too  
Grinnin like a Cheshire cat  
Oh Oh Oh

And I'm feelin like a motherfuck  
The only way is down from here  
Oh Oh Oh  
Feelin like a motherfuck  
The only way is down from here  
Oh Oh Oh

I'm tryin to buy a drink  
But the barmaid's cross-eyed  
Why'd they let her work here  
Hell I just don't know  
I find it hard to think  
Since my kangaroo died  
Why'd she have to leave me  
Hell I just don't know  
I don't know

Well the priest is at the pulpit  
Tellin me I'm wrong  
Tellin me I'm sickening  
Oh Oh Oh  
To believe him is to forfeit  
Everything I am  
And everything I'll never be  
Oh Oh

So I'm feelin like a motherfuck  
The only way is down from here  
Oh Oh Oh  
Feelin like a motherfuck  
The only way is down from here  
Oh Oh Oh

I'm tryin to buy a drink  
But the barmaid's cross-eyed  
Why'd they let her work here  
Hell I just don't know  
I find it hard to think  
Since my kangaroo died

Why'd she have to leave me  
Hell I just don't know  
I don't know

Always were the waters  
Deep inside your heart  
Always wanted to return  
To your body  
But I'm not sure I can
