Placebo, Pure Morning

A friend in needs a friend indeed, A friend with weed is better, A friend with breasts and all the rest, A friend who's dressed in leather.

A friend in needs a friend indeed, A friend who'll tease is better, Our thoughts compressed, Which makes us blessed, And makes for stormy weather,

A friend in needs a friend indeed, My Japanese is better, And when she's pressed she will undress, And then she's boxing clever,

A friend in needs a friend indeed, A friend who bleeds is better, My friend confessed she passed the test, And we will never sever,

Day's dawning, skins crawling [repeat three more times] Pure morning, [repeat this three more times]
