Placebo, Shout

Shout, shout, let it all out

These are the things I can do without

Come on, I'm talking to you, come on

Shout, shout, let it all out

These are the things I can do without

Come on, I'm talking to you, come on

In violent times

You shouldn't have to sell your soul

In black and white

They really, really ought to know

Those one track minds

They took you for a working boy

Kiss them goodbye

You shouldn't have to jump for joy

You shouldn't have to jump for joy (Shout, shout)

Let it all out

These are the things I can do without

Come on, I'm talking to you, come on

They gave you life

And in return you gave them Hell

As cold as ice

I hope we live to tell the tale

I hope we live to tell the tale (Shout, shout)

Let it all out

These are the things I can do without

Come on, I'm talking to you, come on

Shout, shout, let it all out

These are the things I can do without

Come on, I'm talking to you, come on

Shout, shout, let it all out

These are the things I can do without

Come on, I'm talking to you, come on

And when you've taken down your guard

If I could change your mind

I'd really love to break your heart

I'd really love to break your heart (Shout, shout)

Let it all out

These are the things I can do without

(Really love to break your heart) Come on, I'm talking to you, come on

Shout, shout, let it all out

These are the things I can do without

Come on, I'm talking to you, so come on
