

# Placebo, The Prodigal

I leave this world  
With a glint in my eye  
I've untold all of my lies  
And all the joy  
I leave behind  
I'll miss you too  
Love of mine

Today no tombstone  
No goodbyes  
My soul is full  
Watch it fly  
When I return  
Prodigal son  
This wounded world  
Will be as one

Be as one

I leave this world  
A hopeful song  
Without a tear  
I will prolong  
My bruises healed  
My scars are gone  
And every beating  
Made me strong  
So please don't cry  
Don't think it's wrong  
My soul is pure  
It sings along  
When I return  
A better me  
You'll see that sorrow can set you free

Set you free  
Set you free  
(I'll set you free)  
Set you free  
(I'll set you free)

I leave this world to you all  
The constellations will never fall  
And if you're fearful  
Bare no mind  
The sun will rise  
Heed your call

No open casket  
No sullen wake  
Your will heart will mend  
If you break  
So without greed  
Without pride  
Shout I'm alive  
I am alive

(I'll set you free)  
I am alive  
(I'll set you free)  
I am alive  
(I'll set you free)  
I am alive  
(I'll set you free)

I am alive

(I'll set you free)  
(I'll set you free)
