

Placebo, Where Is My Mind?

With your feet in the air and your head on the ground
Try this trick and spin it, yeah
Your head will collapse
If there's nothing in it
And you'll ask yourself:
"Where is my mind?
Where is my mind?
Where is my mind?"
Way out in the water, see it swimming.
I was swimming in the Carribean
Animals were hiding behind the rock
Except for little fish
When they told me east is west, trying to talk to me, coy koi
Where is my mind?
Where is my mind?
Where is my mind?
Way out in the water, see it swimming
