

Plain White T's, Revenge

By now you should know everything you say
Can and will be used against you some day
I got the microphone so dont go too far
Cause Im gonna tell the whole world how you really are

I dont even care how youre gonna feel
Cause Ive already tried to give you something real
So go ahead and get mad never talk to me again
I dont even care cause I got my

Revenge
Revenge
Revenge
Got my revenge

One night youre begging me to stay
The next night you push me away
I dont need youre promising to give it up
Is too late cause now Im giving up

Revenge
