

Platinum Blonde, Video Disease

All American Hero
All American dream
All American apple pie
All American cream

I see it on your wavelength
You photograph in black and white
Is it any wonder
What are you going to do tonight?

(chorus)
You've got a video
Video disease
Video, video

Your love is on the main street
You've t no protection
You fall into a daydream
It goes on and on

(chorus)
Video, video disease (repeat)

Take me over
