Plummet, Damaged

Dreaming comes so easily
Cause it's all that I've known
True love is a fairy tale
I'm damaged
So how would I know
I'm scared and I'm alone
I'm ashamed and I need for you too know

I didn't say all the things that I wanted to say
But you can't take back
What you've taken away
Cause I feel
I feel you, near me
I feel you, near me

Healing comes so painfully
And it chills to the bone
Will anyone get close to me
I'm damaged as I'm sure you know

I'm scared
And I'm alone
I'm ashamed
And I need for you to know

I didn't say all the things that I wanted to say
But you can't take back
What you've taken away
Cause I feel you
I feel you, near me
I feel you, near me

There is nothing for my soul
And into this fear
Forgiveness for a man
Who is stronger
I was just a little girl
But I can't go back

Can't go back
Can't go back
Can't go back
Can't go back

I can't go back
I can't go back
I can't go back

I must go on
I must go on
I must go on
I must go on
