

# Pocahontas, If I Never Knew You (End Title)

If I never knew you, if I never felt this love  
I would have no inkling of how precious life can be  
And if I never held you, I would never have a clue  
How at last I'd find in you the missing part of me

In this world so full of fear, full of rage and lies  
I can see the truth so clear in your eyes, so dry your eyes  
And I'm so grateful to you, I'd have lived my whole life through  
Lost forever if I never knew you

If I never knew you I'd be safe, but half as real  
Never knowing I could feel a love so strong and true  
I'm so grateful to you, I'd have lived my whole life through  
Lost forever if I never knew you

I thought our love would be so beautiful  
Somehow we made the whole world bright  
I never knew that fear and hate could be so strong  
All they'd leave us were these whispers in the night  
But still my heart is singing we were right

If I never knew you  
There's no moment I regret  
If I never knew the love  
Since the moment that we met  
I would have no inkling of  
If our time has gone too fast  
How precious life can be  
I've lived at last

I thought our love would be so beautiful  
Somehow we'd make the whole world bright  
I thought our love would be so beautiful  
We'd turn the darkness into light  
And still my heart is singing we were right  
We were right

And If I never knew you, if I never knew you  
I'd have lived my whole life through  
Empty as the sky  
Never knowing why, lost forever  
If I never knew you
