

Point Of Grace, The Love Of Christ

Written by Lowell Alexander, Gayla Borders, Jeff Borders

Chorus

How long (how long)

How wide (how wide)

Is the love of Christ

How deep (how deep)

How high (how high)

Is the love of Christ

It would take ten thousand lifetimes

To comprehend, a love with no beginning

A love that knows no end

Chorus

More than any heart could measure or ever hold

His love could fill the oceans

'Til they overflowed

Chorus

Higher than the mountains

Deeper than the ocean

Farther than the reach of the sky

Wider than the heavens

Longer than forever

Greater is the love of Christ

Chorus
