

Poison, I Want Action

I want action tonight
Satisfaction all night
I grab my hat and I
grab my shoes
Tonight I'm gonna hit
the streets and cruise
Down the main strip and
check it out
With those schoolgirls
a hangin' around
Now I'm a sucker for a pretty face
I don't care if she's in leather or lace
cause I'm just lookin' for a little kiss

Chorus:

I want action tonight
satisfaction all night
You've got the love I need tonight
Long legs and short skirts
These girls hit me where it hurts
I can't wait to get my hands on them
I won't give up until they give in
Now I'm not lookin' for a love that lasts
I need a shot and I need it fast
If I can't have her, I'll take her and make her

Chorus, solo

Hey, sweetheart, slide on in here
No, not in the front, jump in the back

Why?

Cause there's something back there I want to show ya

I want action tonight

Satisfaction all night

Ah, come on honey, I wasn't that bad!

Oh, well

Chorus out
