

# Poison, Ride The Wind

Hearts of fire  
Streets of stone  
Modern warriors  
Saddle iron horses of chrome  
Taste the wild  
Lick the wind  
Like something they never saw before  
Their jaws dropping to the floor  
Steel made of soul and sin  
Rebels born without a care  
Ant the day he listens  
Only to fly where eagles dare  
And the nights she whispers

CHORUS:

Ride the wind never coming back  
Until I touch the midnight sun  
Until I touch the midnight sun  
ride the wind never coming back again  
Until I touch the midnight sun  
Painted flesh, loyalty, humble pride  
Just as far as the eye can see  
Stories told  
two old friends  
Of battle scars and lonely bars  
And nights the rain wouldn't end  
Here's to withered eyes wearing gypsy smiles

And the day he listens  
Here's to lovely ladies and a million miles  
And te night she whispers  
Ride the wind never coming back  
Until I touch the midnight sun  
Until I touch the midnight sun  
ride the wind never coming back again  
Until I touch the midnight sun

SOLO:

Of all the truths and lies  
And stories of riders in the sky  
They say only the bravest try  
Where eagles and angels dare to fly  
Ride the wind never coming back  
Until I touch the midnight sun  
Until I touch the midnight sun  
ride the wind never coming back again  
Until I touch the midnight sun
