

# POLA RISE & ANDY WARD, Don't You Love Me

I am gonna stand aside  
You were never gonna give me blood  
You were never gonna love

You're the one who had to lie  
How you gonna hold on to trust  
How you gonna give me love

Keep in on  
Keep in on  
Keep the light for when i get there  
When i am home

Don't You Love Me  
Don't You Love Me  
Lik you did when we were young  
Don't You Love Me  
Don't You Love Me  
Don't you leave me here alone
