

# Pop Evil, Deal With The Devil

I can't get away with murder  
I am bound to take it further

I took the pills, I've been consumed  
I drank the water, I had to choose  
I'm still here with a fire burning, burning inside  
If you want to burn, light it up, light up, let it rise

When you're high who ya flying for  
When you ride who ya riding for  
When you toast who ya drinking for  
When you play, gotta deal with the devil

Gotta deal with the devil  
Gotta deal with the devil  
Gotta deal with the devil

I have found comfort in someone  
Now I'm bound, empty and hollow

I took the pills, I've been consumed  
I drank the water, I had to choose  
I'm still here with a fire burning, burning inside  
If you want to burn, light it up, light up, let it rise

When you're high who ya flying for  
When you ride who ya riding for  
When you toast who ya drinking for  
When you play, gotta deal with the devil

Gotta deal with the devil  
Gotta deal with the devil  
Gotta deal with the devil

Let it rise

When you're high who ya flying for  
When you ride who ya riding for  
When you toast who ya drinking for  
When you play, gotta deal with the devil

Gotta deal with the devil /8x
