## Powerwolf, Demons and Diamonds

Light

I never see the light

I never see you

Never hate you

Down tonight

Whoa, light

I never see the light

I never feel you

Never hate you

Down tonight

Whoa, light

I never see the light

I never feel you

Never hate

(Demons

And diamonds

**Demons** 

And diamonds)

Night

I never sleep at night

When you see me

In the darkness

Down tonight

Whoa, night

I never sleep at night

For the demons

And the diamonds

I will fight

Whoa, night

I never sleep at night

I never feel you

Never hate

(Demons

And diamonds

**Demons** 

And diamonds)

Demons and diamonds

Demons and diamonds!

Demons and diamonds

Demons and diamonds!

Demons and diamonds

Demons and diamonds! Demons and diamonds

Demons and diamonds!
