

# Powerwolf, Demons Are a Girl's Best Friend ft. Al

Beware the night  
Beware the night before the dawn  
Beware the dark when light is gone  
For there's a phantom lust awake  
They wanna make you bend and scream  
They wanna take your hand and lead  
You in the light of Venus, girl  
Come let them take you for a ride  
Forget the Lord and cross tonight  
And let your carnal lust prevail tonight

Whoa-oh-oh, oh-oh  
Demons come at night and they bring the end  
Whoa-oh-oh, oh-oh  
Demons are a girl's best friend  
Whoa-oh-oh, oh-oh  
Demons come to life and they take command  
Whoa-oh-oh, oh-oh  
Demons are a girl's best friend

Beware the fire  
Beware the fire in their eyes  
Beware of former driven lies  
For there's a truth behind the veil  
They make you part of blackened rites  
For take the crave between your thighs  
Your antidote of evil, girl  
Come resurrect him to the sky  
And wave all innocence goodbye  
And let desire take command tonight

Whoa-oh-oh, oh-oh  
Demons come at night and they bring the end  
Whoa-oh-oh, oh-oh  
Demons are a girl's best friend  
Whoa-oh-oh, oh-oh  
Demons come to life and they take command  
Whoa-oh-oh, oh-oh  
Demons are a girl's best friend

And when your sleep is haunted in the night  
Girl don't you dare to seek for candlelight  
'Cause in the dark the demons come as carnal dynamite

Whoa-oh-oh, oh-oh  
Demons of the night come and take her hand  
Whoa-oh-oh, oh-oh  
Demons are a girl's best friend  
Whoa-oh-oh, oh-oh  
Demons treat her thighs, come and make their stand  
Whoa-oh-oh, oh-oh  
Demons are a girl's best friend
