

# Powerwolf, Mother Mary Is a Bird Of Prey

When your time is over  
And we come down to take you away  
You better pray to Jesus  
May the serpents of god lead your way  
And when you find salvation  
In revelation  
This is the son of the earth  
And the you cross the liar.  
The devil's fire  
Mother as sign of rebirth  
Mother mary is a bird of prey  
Bird of prey  
Bird of prey  
When your life is over  
And the angels are falling from grace  
And in the eyes of Judas  
You're born on the darkest of days  
An when you find elation  
Illumination  
You are the son of the earth  
And then you kill the liar.  
In Satan's fire  
Hell is a sign of rebirth  
Mother mary is a bird of prey  
Bird of prey  
Bird of prey  
Stand up and pray!
