

Pressure, Be Free

Be Free - Pressure

(intro)

how mi a seh

yeah bless da people

???

ah mi bless black people yuh dun know

it's pressure

voice of the ghetto

hear mi now

don

it's pressure

(chorus)

my people be free cause the world is yours

and take control of your life of course

cant be held down by no evil force

to the most high bless no wizard can curse

knowledge is the key then the world is yours

and take control of yourself of course

cant be held down by no evil force

to the most high bless no man curl

(verse 1)

with all that jah created why cant we just live as one

there's food and clothes and shelter to spread amongst the people land

of earth

with royalty and humbleness you shall lean ?? di hearts

know your ?? in creation and do you apart mek firm

(chorus)

my people be free cause the world is yours

and take control of your life of course

cant be held down by no evil force

to the most high bless no wizard can curse

knowledge is the key then the world is yours

and take control of yourself of course

cant be held down by no evil force

to the most high bless no man curse

(verse 2)

false rulers of the earth adware for the power and domain

and the course of livin gets so hard the poor and needy cyaan sustain

let righteousness exhalt and harmony float you ???

with love and blessings flowing through everyone cyaan ??

(chorus)

my people be free cause the world is yours

and take control of your life of course

cant be held down by no evil force

to the most high bless no wizard can curse

knowledge is the key then the world is yours

and take control of yourself of course

cant be held down by no evil force

to the most high bless no wizard can curse
