

# PRETTYMUCH, Parking Spot

If i had the Chance to prove me wrong  
Maybe then i'd try to forget it all  
I guess it's my way of saying you left unnoticed  
Now i have decide  
Chase tou or Focus  
Baby, why'd you leave without notice?  
What;s the location?  
I could pic kup my heart

If i had to chose  
You know i'd choose you  
I stuck around  
I held you down  
So why are you giving up?  
Straight up
