

# PRETTYMUCH, Stars

The stars above match your eyes  
I wish ou could see tchem  
Every night can't decide  
But you're beautiful  
Babyr twell me whatchu looking for  
I been waiting for you at the door

You the baddest thing taht i ever did see it's true  
Feel like i ma all alone in the galaxy with you  
Girl, you're out of this world  
But you never believe it  
And it get on my nerves
