PRETTYMUCH, Summer on You

baby, i ain't got no money all i go it time and i'm gon' spend that time on you but when they pay me and I can buy the sunshine take your away we'll drink champagne while holed up in a room

darling I've been working all week I've got so much on my plate always saying poor me although my boss is an ashole That's when you call me said you've been making a plan to hit the road with me I'll pick you you after and

we'll hit the coast on the late night make love till daylight I love it when you play with me hair you know it feels so nice and I'll do what you like naked in the moonlight we don't care if we are broken when love is all we own, I'm singing

Baby, I ain't got no money all i go it time and i'm gon' spend that time on you but when they pay me and I can buy the sunshine take your away we'll drink champagne while holed up in a room and I'll spend my summer on I'll spend my summer on

I'm singing hey babe two jobs on minimum wage although the rent's late still go a smile on my face we ain't got the sunshine but we got hearts in our chests to feel the love like this stronger than anyone else

we'll hit the coast on the late night make love till daylight
I love it when you play with me hair you know it feels so nice and I'll do what you like naked in the moonlight we don't care if we are broken when love is all we own, I'm singing

Baby, I ain't got no money all i go it time and i'm gon' spend that time on you but when they pay me and I can buy the sunshine take your away we'll drink champagne while holed up in a room and I'll spend my summer on

I'll spend my summer on

Baby, I ain't got no money all we got is love but I know that can see us through it might sound crazy by why do we need sunshine? we can stay and sip worm beer while holed up in a room that's how we spend my summer on you

Baby, I ain't got no money all i go it time and i'm gon' spend that time on you but when they pay me and I can buy the sunshine take your away we'll drink champagne while holed up in a room and I'll spend my summer on I'll spend my summer on
