Primal Scream, The 99th Floor

Everywhere I go
Everyone I see
Say "what's the matter witcha boy,
Ya got a strange a disease?"
Oh I know
I got something wrong with me
There's a hole in my heart
Where my baby used to be

Birds in the sky
Dogs on the ground
Rats in the garbage
But my baby can't be found
I'm going insane
They say she left on the midnight train
There's a hole in the sky
Cluster bombs fall like hard rain

I went to see the doctor
Shot me full of junk
I'm on the edge of the 99th floor
Everybody say "jump!"
I got a hole, got a hole in my head

Death on the stairs
Plague at my door
Ghost in my bed
Cry "she don't love you anymore"
Oh mama please
You got the keys to the kingdom
I'm digging holes in my arm
I can't shoot my way to freedom

I went to see the doctor
Shot me full of junk
I'm on the edge of the 99th floor
Everybody say "jump!"
I got a hole, got a hole in my head

If you see my baby
Tell her I'm in flames
I beg her please for water
But no more gasoline
Awww jesus christ
I just can't take anymore

I got holes in my hands
Where she naild me to the floor
Dig me a hole in the groung
I'm gonna jump from the 99th floor

I went to see the doctor
Shot me full of junk
I'm on the edge of the 99th floor
Everybody say "jump!"
I got a hole, got a hole in my head
