

Primus, Del Davis Treefarm

Del Davis sold a Christmas tree
Stood up to 8 feet tall
Season was lookin' mighty thin
He'd hoped to sell 'em all
Here he comes with a dollar in his hand
Represents the epitomized man

The boy liked rock 'n' roll
Seemed that's the way he paid his way
With the help of Del and them "Doogs"
There's a bit more joy this holiday

Here he comes...
