## Primus, Mary The Ice Cube

I once had an ice cube Pretty little ice cube Now it's gone Now it's gone

Her name was Mary Pretty little ice cube Now she's gone Now she's gone

She was so shiny My pretty little ice cube Now she's gone Where's she gone?

She's gone with the others The shiny little ice cubes Movin' on Movin' on She's gone

Doesn't nothing ever last forever?

I miss my ice cube Pretty little ice cube Since she's withdrawn

I held her in my hand My chilly little ice cube Was it wrong? Was it wrong?

She slipped away My moist little ice cube To oblivion Oblivion

She left me standing With tears on my face On the lawn So I wrote this song

Pretty little ice cube Where have you gone? Doesn't nothing ever last forever?

It's been declared
That it's not wise to prize something too much
I just wish to find something
To fondle and to touch so gently

Doesn't nothing ever last forever?
