

# Primus, Sathington Willoughby

We are gathered here today  
In these majestic halls of old  
To honor a man they call  
Sathington Willoughby  
There's a joke or two  
A pun or three  
I feel that must be told  
Then I go on to speak of  
Sathington Willoughby  
Sathington Willoughby  
The legislator that penned us up a bill  
That banned the use of certain things  
Like this and that
