

Prince, Allegiance

In my sleepin' R.E.M. state, U are on my mind, love
If I workin' if I playin' UĆe with me all the time, love
Your languid body, how it moves me mysterious ways, yeah
If I happy or if I sad, it moves me every day, love

Baby, whatever U got, donĈ stop it
Honey, UĆe makin' me hot and I want it
I in a deep blue funk but I like it
I addicted 2 your junk and I dyin'?

Every day, love, at 6:30 my body gets so cool
I shiver madly, girl, Iæ gladly be your night time fool, love
All the honey and all the cash that this world has 2 give
CouldnĈ compare 2 one strand of your hair - girl, I wanna live (with U)

Baby, whatever U got, donĈ stop it
Honey, UĆe makin' me hot and I want it
I in a deep blue funk but I like it
I addicted 2 your junk and I dyin' dyin'?
Girl, I dyin'?

Smooth hands, cocoa tan
Your biggest fan I am
More than any man, I can and I will until time stops
Or whatever U got discontinues

So 4 U and all that is good and true
I hereby state my allegiance
4 U and all that is true
I hereby state my allegiance {repeat phrase in loop}
