

Prince, Born 2 Die

Here she coems
She's a bad girl
She gets you high

born to die
Born to die
Born to die
Born to die
Born to die

She sells everything
For a to z
Anything just to keep her free from the
From the shustle of the streets

She left the church
A long time ago
Sait they couldn't teach what they did not know
That's when she lost her virginity
And now she's pimp' every bottle
From New York to L.A.
