

# Prince, Calhoun Square

I don't like this much 2 drink  
I was there  
I know right now it's hard 2 think  
I don't care  
But it's time 4 U and me 2 wonder  
Why we're here  
Maybe we should roll 2 the rock and rumble  
Calhoun Square (Let's roll)

Meet me there  
If U dare  
Calhoun Square!

It don't matter clothes U're wearin'  
Or your hair  
If U're freaky, they don't care and  
They don't stare (Ain't nobody lookin' at U)  
All that matters if U're happy  
And if U're there (Are U there?)  
Don't U wanna roll 2 the rock and rumble  
Calhoun Square? (Don't U wanna? Come on now)

Hey!

Meet me there  
If U dare  
Calhoun Square!

Walk through veils of many colors  
If U dare (Do U dare?)  
Jasmine, peach and love 4 others  
In the air (It's all in the air)  
Don't be shocked 2 see your mother  
In the chair (Sit down, baby)  
Everybody roll 2 the rock and rumble  
Calhoun Square (Oh Lord)

Hey, come on!  
Oh Lord [x2]  
Here me now

Calhoun Square, Calhoun Square [x2]

Meet me there  
If U dare  
Calhoun Square!
