

# Prince, Extraordinary

Extraordinary

The love U make 2 me it's some kind of scary  
I would B a fool 2 leave U 4 I was born 2 love U  
This is true

Extraordinary

The way U make me feel  
I'm so very glad it's real  
And not a dream  
Even though it seems I am dreaming  
People try 2 break us up  
Valentines a little rough  
But we survived 'cos we had a love

Extraordinary

I'd give the world 2 U  
Each and every thing U do is so very nice  
U make my clock tick 12 twice  
Then disappear time and everything else  
When U R near
