

# Prince, Loveleft, Loveright

{B-side of N.P.G.}

The girls of steel, like the way my body feels  
they need to put their hands on  
but ooh it gets 'em gone  
thinkin' 'bout the way things might have been  
In another life, if you were my wife  
And I don't mean one, but the two of you every night  
(ooh)

Lord knows I'll do my best  
I mean it'd be a test  
baby in the middle, baby in the middle, taking all requests

Love to the left of me, love to the right  
Come on make a noise somebody  
Party tonight (oh yeah!)  
Love to the left of me, love to the right  
Come on make a noise somebody  
Party tonight (oh yeah!)

The girls of soul, like the way my booty goes,  
they say the curves deserve another glance  
come on pretty baby give me a chance  
to prove my brotherhood  
I'll make you real good  
I'll do ya, I'll do ya  
I'll do ya like you wanna should

Lord knows I'll do my best  
I mean it'd be a test  
baby in the middle, baby in the middle, taking all requests

Love to the left of me, love to the right  
Come on make a noise somebody  
Party tonight (oh yeah!)  
Love to the left of me, love to the right  
Come on make a noise somebody  
Party tonight (oh yes!)

I can't help it baby, it really gets me going  
I think about the 3 of us g-going on

A notion of the ocean  
love love lovelovelovelove  
Love to the left of me, love to the right  
Come on make a noise somebody  
Party tonight (oh yeah!)  
Love to the left of me, love to the right  
Come on make a noise somebody  
Party tonight (oh yeah!)

Love

Lord knows I'll do my best  
I mean it'd be a test  
baby in the middle, baby in the middle, taking all requests

Love to the left of me, love to the right  
Come on make a noise somebody  
Party tonight (oh yeah!)

Party to-party tonight

Are there really angels?  
or are they just in our minds?  
It all comes out in the wash...  
...in time
