

# Prince, New World

New world [x4]  
When the sharpest vibration  
Saves U from obliteration  
The intelligence of your bed reacts  
Covering U head 2 toe with an air-filled sack

When the lines blur every boy and girl  
How we gonna make it in this brave new world?  
Love 4 one another - New world  
Love 4 one another - New world

When U wanna find some isolation  
But the tracker U got from vaccination (Keeps playin')  
Keeps playin' - &quot;U'll never walk alone&quot; (Over and over)  
They're always listening, especially on the phone

When the lines blur every boy and girl  
How we gonna make it in this brave new world?  
Love 4 one another - New world  
Love 4 one another - New world

Wait a minute  
New world

Did U hear about the new pill? It feels like sex!  
Guaranteed 2 thrill with no ill side-effects  
A pill that will stop the wrinkles, a pill that will stop the pain  
A pill that will make a baby never seek political gain  
What's it all 4 when U can alter biology?  
Who or what, then my friend, will U and I be? [x2]

When the sharpest vibration  
Saves U from obliteration  
When the melting pot stirs, how U gonna take it?  
When U can't tell him from her, how U gonna fake it?

When the lines blur every boy and girl  
How U gonna make it in this brave new world?  
Love 4 one another - New world  
Love 4 one another (How U gonna take it?)  
(How U gonna fake it?)  
Love 4 one another (How U gonna take it?)  
(New world) New world

New world
