

# Prince, Solo

So low, the curb looks like a skyscraper  
So high, the stars are under me  
So quiet, I can hear the blood rushing through my veins  
So low, I feel like I'm going insane  
The angels, they watch in wonder  
When U made love 2 me  
Through the rain and the thunder  
U cried in ecstasy

And U were so kind  
I felt sorry 4 all creation  
Because at the time, no 1 was lucky  
no 1 was lucky, no 1 was lucky as me

And now U're gone and I just wanna be still  
So silent, I'll just let my senses sleep

It's gonna be so hard 2 hear my voice  
If I ever learn once more 2 speak

I'm so lost, no 1 can find me  
And I've been looking 4 so long  
But now I'm done  
I'm so low, solo, my name is no-one
