Space

I never been 1 2 hide my feelings
Baby, u blow my mind
I painted your face upon my ceiling
I stare at it all the time

I imagine myself inside your bedroom
Oh I imagine myself in your sky
(U) U are the reason there's bass in my boom
(Oh u) U are the reason I'm high

If u and I were just ten feet closer
Then i'd make u understand
That everything i wanna do 2 your body, baby
I would do 2 your head
Then u'd be hip 2 the deep rush
Deeper than the boom of the bass
With every other flick of the pink plush
The closer we get 2 the space (The closer we get 2 the space)

(The space)
(The space)
(The space)
Don't u want 2 go? (The space)
Where the souls go (The space)
Where the tears flow (The space)
Where the love grows
Do u want 2 go?

I never been 1 4 this thing obsession
But just keep your eye on my hips
The circles they may be my confession
Just say the word and I'll strip

I've had dreams of us cuddling on the planet mars
Then when i wake up, I'm all covered in sex
With eyes that fall somewhere between rubies and stars
Don't look at me baby or I'll flex

If u and I were just ten feet closer
Then I'd make u understand
That everything I wanna do 2 your body, baby
I would do 2 your head
Then u'd be hip 2 the deep rush
Deeper than the boom of the bass
With every other flick of the pink plush
The closer we get 2 the space

(The space)
Go (The space)
Flow (The space)

Grow
Do u want 2 go?
(The space)
Where the souls go (The space)
Where the tears flow (The space)
Where the love grows
Do u want 2 go?
