Eye don't wanna give U my love  
'Cause Eye don't wanna lose my mind  
Ohh  
Eye don't wanna give U my love  
'Cause if Eye do it's gonna b the last time  
Eye never want to feel this way again  
If Eye can't b a lover  
Eye don't wanna b Ur friend, no  
Eye don't wanna b friends, no  
Eye don't wanna hold Ur hand  
'Cause Eye just wanna follow U everywhere  
Eye don't wanna c U dance  
Eye don't even really want 2 take the chance  
Of fallin' in love with U baby  
'Cause if U ever said beautiful words 2 me  
If Eye wanna b Ur fantasy, yes  
Eye wanna dance  
Yes  
Ooooooh, baby  
Eye don't wanna give U my love  
Eye don't wanna go 2 fast  
'Cause if Eye do U just might stay  
U just might stay  
Eye guess Eye have a lonely dance  
The longer that Eye feel this way  
Eye never want to feel this way again  
If Eye can't b a lover  
Eye don't wanna b Ur friend  
Eye don't wanna b friends, no  
Eye just want this 2 end  
Eye don't wanna give U my love  
'Cause Eye don't wanna lose my mind  
Go home, baby
