

# Prince, Thunder

Thunder - all thru the night  
Promise to see Jesus in the morning light  
Take my hand, it'll be alright  
C'mon save your soul tonight

Oooo - Thunder  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah

Love - nobody know just how it was born  
Love - first came to me with the radio on  
Jumped up in my body with an attitude  
Kissed me on the mouth and said "Your leader take me to"

'Twas like thunder all thru the night  
And a promise to see Jesus in the morning light  
Love say "Take my hand, it'll be alright  
C'mon save your soul tonight"

Love's kiss was running all thru my veins  
The bed started shakin', I don't know who to blame  
Me or this flower right in front of my eyes  
Is this my sweet savior or the devil in disguise

'Twas like thunder (oh) all thru the night (all through)  
Promise to see Jesus in the morning light  
Love say "Take my hand, it'll be alright  
C'mon save your soul tonight"

Thunder - hey hey  
Yeah yeah yeah yeah

(it was truly truly)  
Like rain falling on a window pane  
Tears came to my eyes when I asked her name  
Made me holler when it finally came  
Said "Only the children born of me will remain"

'Twas like thunder all thru the night  
And a promise to see Jesus in the morning light (mornin' light)  
Love say "Take my hand, it'll be alright  
C'mon save your soul tonight"

Thunder

It will be all right (all right)  
(it was truly like thunder)  
Don't do it like that, do it like this  
Oh oh (thunder) oh oh (thunder) oh ohhhhhh

Thunder (thunder)

(thunder)

(it was truley truly like)

Like thunder (thunder) all thru the night (thunder yeah)  
Promise to see Jesus in the morning light (it will be all right)  
Love say "Take my hand, it'll be alright (it's gonna be alright)  
C'mon save your soul tonight"
