Once again I don't follow trends, they just follow me

I'm 2 far right 2 get left goin' sideways, Jack
How is that a brutha always wanna keep another one back?
Never We mind what U do, in Moneyapolis - We da MACK!

5 little Indians tryin' 2 steal from my stack
A groove or 2 later, all the critics tell them what they lack
A bowl of them 'O's is like sugar, and no smack
How is it that a brutha always wanna keep another one back?

How is it that a brutha always wanna keep another one back?
I'm 2 far right 2 get left goin' sideways, Jack
How is that a brutha always wanna keep another one back?
Never We mind what U do, in Moneyapolis - We da MACK!

And I... woke this morning 2 a drum roll - RATATAT
B4 I even got outta bed, I got another track
Who's that brushin' they teeth in the bathroom,
slender, fine and black?
Never she mind what U do, in Moneyapolis I'm the MACK

Come 1, come all 2 the download ball
There's no curfew 2 hurt U - No substitutions
School's now in session
put down the Smith & Wessons
Real renegades don't invite grenades 2 make the grade
This is a brain raid - Who rise above the lies
Raise above these days
New ways disguised as a craze
Uh, gotcha back against the status they thrown at us
Back against the wall again - High trees catch a lot of wind
Last band standin'
Gotta knack 4 overstandin'
Accordin' 2 plan and look up in the sky
No cable wire
God bless the child

Is that my song playing on the radio?
"It could b G, I can't remember, I wrote it in '84!"
