

Prince, We Can Work It Out

Now that I know your name and U know mine
Ain't it just about time that we got 2gether?
We should make such beautiful music 4ever
Oh, 2gether 4ever

Put your trust in me, I'll never let U down
Cuz I know I can count on U 2 help me make it
Ain't no doubt about it
We can work it out, work it out
I know we can work it out
Work it out, work it out
Ooh wee!

[Chorus:]
Hope we work it out, I hope we work it out
(Everybody sing) Hope we work it out, I hope we work it out
Hope we work it out, I hope we work it out
(Everybody sing) Hope we work it out, I hope we work it out
