

# Prince, Wedding Feast

"Brother dear brother, I came as quickly as I could  
The Digital Haze is broken, The Banished Ones r gone 4 good, gone 4 good"

Now there must b a wedding  
Now there must b a feast  
A feast, a feast  
A smorgasbord at least  
A brunch, a munch  
Of cake if just a piece

Not just a vat of chitlins  
Or turkey meat u c  
We r what we eat  
So we must eat a leaf  
We'll dine under a tree  
Unless it snows!
