

# Prince, Young And Beautiful

U're so young and beautiful  
U're so full of life- everybody knows  
That's y they try 2 take advantage of u...  
But u don't have 2 do what the other ones do  
U're so cool- the world at ur feet,  
They only want ur virginity  
Keep ur clothes on and ur chastity  
Until u find the one that's worth it baby

So young and beautiful  
So young and beautiful

U're so fine my heart's just pounding  
If I had the chance 2 lay u down,  
I'd probably take a rain check 'til next summer  
Cuz I don't wanna b like all ur other lovers  
So young and beautiful  
I'm hippin' u 2 the game darlin'  
So that u'll always remain  
Young and beautiful
