

# Private Line, Evel Knievel Factor

No round-trip tickets for destructive ride  
Come around, I'll be your guide  
Cheap kills, it thrills, join the wild side  
Have you got the balls to even try?

Whoa, whoa, whoa, whoa, whoa yeah  
Yeah, yeah, yeah, yeah  
You've gotta believe in the Evel Knievel Factor  
Whoa, whoa, whoa, whoa, that's right

Lame daredevils with their drama queens  
I'll take care of your daydreams  
Cheap spills, no frills, ride the blind side  
You wanna give me an evil eye  
Have you got the balls to even try?
