Wassup, you tryna fuck me

Bout to drop to my knees  
And just do you like you need to be done  
Make that burst, I ain?t trippin, I ain?t trippin  
Girl I go first  
Ima go real slow, go a little slower , go a little slower  
You can tell I?m all in  
See my shit a little different from these young ass niggas  
So easy to take bitches from them dumb ass niggas, yeah  
So got you giving head while you pulling off your leggings  
Girl let me ask you

Wassup, you tryna fuck me  
Yeah I?m tryna fuck you  
Wassup, you tryna lick me  
Hell Yeah I?m tryna lick you  
Fuck it, take ya tights off,  
Fuck it, take ya tights off,  
Fuck it, take ya tights off,

Ain?t no need to have the lights on yeah  
Grab on your waist, tongue on your click  
Looking dead in your face  
And you don?t get mad when I pull on your long weave  
Cause you know I got the bread to send you to Pauline's  
In the morning, for the indian  
Tell your man you ain?t coming back like Vivian  
Pussy?s my house, hell yeah I?m gonna be live in it  
Heard my dick bomb  
World travel like it ain?t dripping

nipple nibblin, cheek gripping, dick shifting, ass licking  
Like whaaa  
To show the ... tip swol now...it?s for show you gone nut

Wassup, you tryna fuck me

Fuck it, take ya tights off,  
Fuck it, take ya tights off,

Less a nigga just pop that thang  
It?s bout to go down  
Look at me, you wanna judge me  
Go and throw the book at me  
Cause it?s about to be a motherfucking murder out here  
You would think a nigga winning  
It?s smelling burn in here, the way I ...  
Yeah let you off, bend you over  
Then give it, give it till you soar  
Singing, you about to go to hell now  
Watch me get it back up like it fell down

Wassup, tryna fuck me
