

# Professor Green, Remedy (feat. Ruth Anne)

Ruth Anne:

I sell it by the bottle

Oh I'll make it last all night

Don't worry 'bout tomorrow

I got the remedy

Oh, we let it go

So won't you come sit next to me I got the remedy oh, you never know

oh i could give you what you need

i got the remedy

Professor Green:

My life's enough for anyone to get gassed

I could hit a bungalow

8 in a bin bag and still get a quick lash table looking like November the 5th

I won't remember anything memories are myths I'm a piss artist. It's an art to me last seen partying

true its half ten. and I'm looking in the mirror at me so how come I can see two and a half men?

Ruth Anne:

I sell it by the bottle

Oh I'll make it last all night

Don't worry 'bout tomorrow

I got the remedy

Oh, we let it go

So won't you come sit next to me I got the remedy oh, you never know

oh i could give you what you need

i got the remedy

Professor Green:

She got me in her eyes no c.s. I'm in a vibe on a hype I could go all night no re-est flow b-est no t-e

got chicks brain training no d.s. Jolly cuase I bring my buds between my thigh and my ball's a bag a

and high won't somebody body send Kate Nash my love? In a state of confusion soberness is a pro

I'm gonna start a revolution with my recipe put it in a bottle

call it the remedy anybody every say they'll better me in rap?

You know I got the remedy for that are you mad?

You need medicine, therapy in fact and you know i got the remedy for that are you mad blood?

Ruth Anne:

I sell it by the bottle

Oh I'll make it last all night

Don't worry 'bout tomorrow

I got the remedy

Oh, we let it go

So won't you come sit next to me I got the remedy oh, you never know

oh i could give you what you need

i got the remedy

Oh we let it go

so won't you come sit next to me I got the remedy oh. you never know oh i could give you what you
