

Projet Orange, If You Leave

I say hello to you, my friend
I'm not the one you think I am
You know I'm 16 and a half this year
I could grow up, go insane

They say they're happy
I'm out of their life
And I agree
My enemy is me in me
But we could share

Now in pieces as you are
Couldn't formalize
At least you understand
When I say

Hey, relax
Just give into my plans
Say stand, give up
And get into catastrophe
Say stand

I say I'm losing
I say I'm losing

Your beautiful arms soaring
Is my grief worth nothing?
I get used to living so proud...

Always relax
Just give into my plans
Say stand, give up
And get into catastrophe
Say stand

I'm losing quick at something
I stay but leave you in
They're alive, but I'm not in it
Say

The season's ending
Now
The season's ending
Deep
The season's ending
Deep Inside
