

Propagandhi, No Title

Disregard their suffering. Spoon-fed f**k taught not to care.
It's easy for you to think everything is okay. This is OK?
I've never seen worse. They want what you have.
Flaunt your privilege. You will fall.
Do you really think your life is worth more?
You have no idea what it's like to live like that.
They'd love a minute to give you back that suffering.
This life, I don't need it. They want what you have.
Flaunt your privilege. You will fall.
