Psapp, Side Dish

From your point of view Things look skewed Like when you're wearing the wrong glasses (glasses) But you're not (you're not, not)

You're the main event (main event) Not the center-spread You are a punchline You're stuck in my head

We'Il get you over on our side We'Il get you over on our side O-O-Over on our side We'Il get you over (over) on our side

Please unravel me Tidy up my binary Have a cup of tea And then we'Il go home

Peel (peel) a page like a fruit Get to the root Get to the magic

We'Il get you over on our side We'Il get you over on our side We'Il get you over on our side We'Il get you over (over) on our side
